

### Job Opportunities Faculty Member

The School of Economics and Business Administration and The Graduate School of International Management at Yokohama City University aim to develop the ability to think creatively and solve problems to adapt to diverse situations in modern society based on knowledge of economics and business administration for our students. We also aim to foster the business management skills necessary for a global community and the planning ability to create new businesses. We are now accepting applications from a wide range of individuals willing to teach courses regarding financial management, which is an essential part of our curriculum. Furthermore, we would like you to commit to recurrent education and reskilling support regarding financial management and financial statement analysis for businesspeople.
