

Job Opportunities Faculty Member

The Graduate School of International Management at Yokohama City University (YCU) has established the "YCU EconMasters Program" to strengthen the education system from undergraduate to graduate levels in YCU and promote world-class research. The opening aims to recruit individuals who can contribute to achieving these goals by teaching labor economics and econometrics. The university invites applicants widely for this position.

At the undergraduate level, our curriculum focuses on developing original thinking skills, problem-solving skills, English language proficiency, and planning skills to create new businesses, in addition to the foundational knowledge of business administration and economics to respond to diverse contemporary social issues.
